

Universal 52/8-S

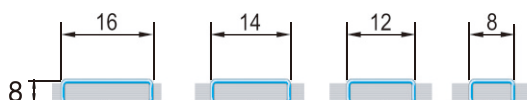

The Fast All-Rounder

The Universal 52/8-S is the most versatile stitching head in its class, offering high-speed performance, extreme staple diversity, and easy adaptability for a wide range of applications.

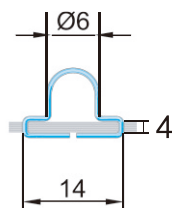

Key Features

- High-speed capability, operating at speeds of up to 10.000-15.000 stitches per hour.
- Supports a wide range of staples, thanks to optional exchange part sets for various wire types, loop diameters, & crown widths.
- Toolless centralised adjustment of wire length and stitching thickness in seconds.
- Now fitted with a durable aluminium case.
- Enhanced operator experience compared to previous models, with improved accessibility and tool-free adjustments.
- Removable, slim and robust centring device.
- Ideal for standard stitching, loop stitching, and even ribbon wire stitching.

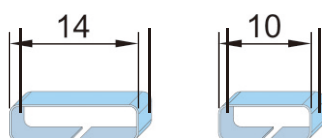

Standard Stitching

Loop Stitching

Ribbon Wire Stitching
